

Dear Parent(s),

Welcome to Keith Elementary! We are pleased to have you at our extraordinary school. We have happy students thanks to our energized and dedicated administrative team and staff. Our PTO (Parent Teacher Organization) is also great at Keith. The PTO works hard each week to make sure the school, staff and students are supported in many ways... from new technology and teacher luncheons to playground equipment and field trips.

We encourage all parents to sign up and become PTO members! As a member, you receive classroom communication from the homeroom parent and have access to the student directory online, as well as receive a hardcopy. By paying just \$10, you become a PTO member of your child's school and you are helping fund LOTS OF THINGS! This, we believe, is the most important aspect of being a PTO member!

Here are just a few things that your contribution applies to:

Keith's Imagination Garden

New technology for all classes, grades and library, etc.

Grade level field trips (Miller Outdoor Theatre, HEB, The Children's Museum, etc.)

Transportation for field trips (buses)

Special events within our school (fire dept., story tellers, etc.)

Art, Music and P.E. supplies and equipment

Playground equipment

All of these exciting things and learning experiences are paid for through the school's PTO. Without your help and small contribution of \$10, these things cannot be funded or provided. We have been so fortunate to provide such wonderful experiences to our Keith Cougars. Let's keep the learning experiential and fun! Don't delay, join Keith PTO for the 2016-17 school year and #BeKeith! You can do so on our website --

keithpto.membershiptoolkit.com

Thanks to all of you who have already signed up and explored Membership Toolkit, our "ONE STOP & SHOP" PTO website. You can order school spirit items, t-shirts, tickets for upcoming events and/or volunteer for school or classroom activities.

Attached you will find the PTO checklist.

Welcome and many thanks!
